Hi Everyone,

As you may or may not know we have been working on a 20th Anniversary Jersey. This is a one off jersey to celebrate our 20 years of the club's heritage. Some of you older members will remember the original design of the jersey. We had a vote at the AGM to reduce 8 designs down to 3. We have created a survey to see which of the 3 is the most popular. If you want to vote please do, but we expect people who voted are going to purchase the design. We need a minimum of 20 pieces to make it worthwhile producing with Powerhouse. The winner will be available to buy at the next round of club clothing which is at the end of January. So this will enable it to be with you for the start of the season. Please remember this is a one off, and will not be replacing the current kit.

I hope that this is the start of a special year in the club, and we look forward to planning other events to mark our 20 years.
